

“Making Life Sound Better for Sixty Years”

13121 Philadelphia St, Whittier, CA 90601

(562) 698-0581 - Fax (562) 696-9798 - email: info@whittierhearing.com,

Important Parking Instructions

We are located on the street level in Uptown Whittier. There is ample free street parking in the area.

You can park on Philadelphia Street in front of our office using both sides of the street. There is also street parking on Washington and Bright Avenues, the two streets to the north and south of our office. All of these are short walks to our office.

There is a public parking lot at the corner of Philadelphia and Bright. It is metered but the cost is very low. The rate is \$.25 for a full hour!

There is a multi-desk parking structure on Bright between Philadelphia and Bailey that offers free parking. It is also a short walk to our office.

Please do not use the Chase Bank parking lot as it is reserved for their customers only. Do not use the parking area behind our office as it is reserved monthly parking and your car can be towed away if you park there.

FRIDAY MORNINGS: There is a Farmer’s Market in the area from 7:30 AM to 2 PM. It reduces the street parking for our patients. If you have mobility problems we recommend that you avoid Friday mornings for your appointments.

SPECIAL ASSITANCE: For those who need assistance (wheel chairs and walkers) we are happy to help. If you are having trouble finding a parking spot just call us. Your driver can pull into the Chase Bank Lot next door and we can meet you at the car, offering assistance to the office while they find a parking spot.
